Your annual valuation

Welcome to your 2025 annual valuation

Please take time to read this document carefully as it provides you with a summary of your pension benefits with the XXXX Morgan Lloyd SIPP.

Remember that investment returns are never guaranteed and while the value of your pension can grow the value can also go down and could mean you get less than you paid in. We recommend you speak to a financial adviser regularly and especially before making any decisions regarding your pension.

It is important to make sure we have the correct details for your nominated beneficiaries. Please contact your financial adviser if you need to amend your nominated beneficiaries.
